No further update at this time.

Water and Sewer –

Sewer Corrective Action Plan

Sewer - Update on PA Rural Water – They are working on a time frame to come in April/ may they will come in and help the Water Operators to and assess manhole flows during wet weather and in the late summer/ early fall they will come in to smoke test areas of the second ward where we have had back up complaints during wet weather. The PMA will work with the Borough to update the regulation to allow for this and then the Borough will send out information when we will be getting started on the smoke testing and inspections. The PWRA will assisting the Borough coming up with a flow chart and dividing the system into approximately seven (7) flow systems.

Water - The Annual Consumer Confidence Water Report has been posted on the Borough's website. The report will be mailed out to customers as well this month.

The following will remain as ongoing until resolved. – Still seeking funds for the Remaining Water Lines in the Borough to be upgraded, the Engineer continues to work with the Water Plant Operator on the change from liquid Chlorine to Gas Chlorine. The Water Operator has done additional testing the Engineer has submitted additional information on the on the DEP for the Corrosion Control Study. Once there is new information the PMA will further inform the Borough Council.

Office of the Mayor – The Mayor will be attending a webinar for Police Departments this week.
