Patton Municipal Authority
Meeting
April 21, 2025
Agenda

Opening:

A. Call to Order Recite Pledge of Allegiance and Roll Call

Public Comment -Guests: None Scheduled.

Minutes

Anticipated Motion to Consider: Motion by PMA Member_____ and

seconded by PMA Member _____to approve the minutes from the December 2024 meeting.

Engineering Update:

CORROSION CONTROL TREATMENT CHANGES

The feasibility study recommending an orthophosphate has been accepted by DEP. We submitted a Public Water Supply to authorize the change from caustic soda in September. We just received technical comments on the application package.

SMALL WATER AND SEWER PROGRAM APPLICATION

We have prepared grant application documents for the replacement of approximately 450' of wastewater collection main along 5th Avenue. A resolution of the Board will be necessary at this meeting. The total project estimate is $333,500. If awarded the requested grant, the Authority will be responsible for a match of an estimated $50,025. (This would come from the Corrective Action Fund.) A

Anticipated Motion to Consider: Motion by PMA Member_____ and seconded by PMA Member _____for adopt PMA Resolution 2025 – 0 4-01- A resolution permitting Keller Engineering to apply for Grant to replace of approximately 450' of wastewater collection main along 5th Avenue and allow the officers to execute the documents needed to do so.

CHAPTER 94 REPORT The annual Chapter 94 documenting flows at the wastewater treatment plant was submitted in March. As in years past, the plant is not technically hydraulically overloaded according to the Chapter 94 definition (consecutive three-month average flow); however, 2024 saw significant wet weather overflows at the pump station bypasses.

SEWER CORRECTIVE ACTION PLAN

We are still preparing bi-annual updates to DEP compiling any corrective work completed by Authority personnel. Noting: Several Sewer laterals were repaired in the distribution systems as well as pressure testing is being performed when properties are being sold.

Repairs were made April 7th on the 90 Mellon Avenue block.

REMAINING CAST-IRON WATER PROJECT

Anticipated Discussion on the same.

SRBC DOCKET RENEWAL

It is our intent to request inclusion in the SRBC's technical assistance program around mid-2025. The information prepared will be used for the 2026 renewal of the SRBC dockets for Wells #2 and #3.

RULES AND REGULATIONS

Other Water and Sewer Matters General Discussion PMA or items of discussion next PMA Meeting.

Call for an Executive Session – Legal and Personnel Matters.

Anticipated Motion: a Motion by _____ and second by_____to

Regarding Legal Matters (if needed after the Session.)

Anticipated Motion: a Motion by _____ and second by_____to

Regarding Personnel Matters (if needed after the Session.)

Adjournment - Anticipated motion: Motion by PMA Member_____ and

seconded by PMA Member _____ to adjourn the meeting.

Adjourn.
